SERVICES PROVIDED

We provide psychotropic medication management for most mental health disorders (Depression, Anxiety disorders, PTSD, OCD, Bipolar, Schizophrenia and other psychotic disorders, Post-Partum mood/anxiety disorders, ADHD, and Adjustment Disorders. We do not promise or guarantee any specific outcome. If you have questions about the benefits and risks of medication management, please ask for further information or explanation.

SERVICES NOT PROVIDED

We do not provide forensic services. We do not provide SSDI or SSI disability determinations. We do not provide medication-assisted treatment for opioid addiction.

Benzodiazepines (xanax, valium, klonopin, lorazepam)

We do not normally prescribe medications in this class. At times, they may be utilized for a very brief period. Drug screens may be requested prior to, or during treatment. Also, pill counts may be required.

Drugs in this class WILL NOT be prescribed long-term.

By signing this document, you have read the above, and agree to the terms and conditions.
